DISCLAIMERS ON MARKETING MATERIALS

THIS DOCUMENT IS PROVIDED FOR INFORMATION PURPOSES ONLY AND IS INTENDED TO PROVIDE POTENTIAL OR ACTUAL PROFESSIONAL CLIENTS (THE "CLIENT") OF APRICOT CAPITAL (DIFC) LIMITED ("THE COMPANY") WITH GENERAL INFORMATION CONCERNING THE FINANCIAL INSTRUMENTS, PORTFOLIO CHARACTERISTICS AND TRANSACTION TERMS DESCRIBED HEREIN

Company does not intend to provide investment advisory services (Advising on Financial Products) through this document. Accordingly, this document does not constitute a personal recommendation, legal advice, tax advice, accounting advice or any other form of advice to any particular person.

This document is not intended for mass distribution, advertisement, or proposal in any other form and does not constitute (and cannot be used for such purposes) a public offer. Neither Company nor the issuer of the financial instruments (hereinafter referred to as the "issuer") has taken or will take any actions that could directly or indirectly enable a public offering of the instruments described in this document.

Where Company provides access to or distributes third-party material, such as contained in this document, it does so for informational purposes. Company does not thereby adopt, endorse or independently verify every statement, opinion, estimate or conclusion contained in such third-party material, and does not guarantee the accuracy, completeness or timeliness of such information unless stated otherwise.

The information in this document has not been prepared having regard to the particular investment objectives, financial situation, circumstances or needs of any specific person. Accordingly, the Client should make their own independent assessment of the financial instruments and transactions described in this document and, where appropriate, obtain independent legal, tax, financial or other professional advice before making any investment decision or act upon it.

Investments into the financial instruments described in this document involve risks and may not be suitable for every Client. Only Professional Clients and Market Counterparties, as defined under the applicable rules of the Dubai Financial Services Authority (DFSA), should act upon the information contained in this document.

No statement in this document should be interpreted as a recommendation that the Client should acquire, dispose of, subscribe for, or otherwise, transact in any financial instrument.

Company cannot guarantee that any financial instrument will be placed or sold, or that any transaction involving it will be concluded under the aforementioned terms. Any portfolio

weight, maturity, coupon, yield, return, price, spread, duration, rating, valuation, performance figure or other quantitative information contained in this document is indicative only, based on assumptions and does not constitute a commitment by Apricot Capital to execute or arrange a transaction on those terms.

The value of investments may rise or fall, and a Client may lose some or all of the amount invested. Any description of a portfolio or financial instrument as “Lower Risk” is relative to the relevant portfolio or investment universe and must not be understood as meaning that the investment may be low-risk, risk-free, capital-protected or guaranteed. A stated credit rating does not eliminate the risk of loss and is not a guarantee of the creditworthiness or future performance of an issuer or financial instrument. Past performance is not a reliable indication of future performance. Any projected, estimated or indicative return is not guaranteed.

The fact that Company is authorised by the DFSA does not mean that the DFSA has approved or endorsed any particular financial instrument, issuer, portfolio, transaction, research report or other content referred to in this document.

Company is not responsible for the consequences of the Client’s investment decisions or other actions taken using the information presented in this document.
